Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Organization

Phoenix Pride, Inc. (the Organization) was incorporated under the laws of the State of Arizona in September 1990. The Organization is a not-for-profit organization established for charitable, educational and social purposes dedicated to promoting unity, visibility and self-esteem among gay, lesbian, bisexual, transgender and queer persons (LGBTQ) through community activities and services. The organization's programs are offered in Phoenix and throughout the state of Arizona.

The Organization's programs include the Phoenix Pride Festival, the Phoenix Pride Parade, the Phoenix Pride LGBT Center, and other programs that serve the community and celebrate and promote the history, diversity and future prosperity of the metropolitan Phoenix LGBTQ community.

The Phoenix Pride LGBT Center is a resource and education center for the LGBTQ community. The Center provides a variety of services, resources and programs to the community. It offers support groups, wellness services, education, health resource materials and more. Programs and services are facilitated by experts, enthusiasts and volunteers. The Center offers individual and group memberships which support the Center and provide discounts to services and facilities.

The Organization's programs provide community grants and scholarships to organizations and individuals in the LGBTQ community. Community grant and partnership programs provide financial grants and support to not-for-profit organizations serving Maricopa County's LGBTQ community. Since inception of the grants and partnership programs in 2008, the Organization has provided more than \$483,000 in community support to not-for-profit organizations. The Phoenix Pride Scholarship Program provides scholarships to self-identified LGBTQ college students. Since inception of the scholarship program in 2008, the scholarship program has awarded \$142,500 in scholarships.

The Organization funds its programs and operations through grants, contributions, memberships, festivals, and fundraising activities.

Accounting Framework

The Organization follows standards of accounting and financial reporting for not-for-profit organizations as described in the American Institute of Certified Public Accountants' *Audit and Accounting Guide for Not-for-Profit Organizations* and standards promulgated by the American Institute of Certified Public Accountants for not-for-profit organizations in accordance with FASB ASC 958 in conformity with United States of America generally accepted accounting principles. Accordingly, the financial statements are prepared on the accrual basis of accounting. Under this method of accounting, revenue and expenses are identified with specific periods of time and are recorded as earned and incurred, respectively, without regard to the date of receipt or payment. The Organization's activities are reported according to three classes of net assets: unrestricted, temporarily restricted and permanently restricted.

(Note 1 continued on next page)

NOTES TO FINANCIAL STATEMENTS
YEAR ENDED DECEMBER 31, 2015

Cash and Cash Equivalents

For purposes of the statements of cash flows, the Organization considers all highly liquid investments with an initial maturity of three months or less to be cash equivalents. The Organization, at times, maintains cash at financial institutions in excess of the \$250,000 per bank limit insured by the Federal Deposit Insurance Corporation (FDIC). The Organization manages this risk by maintaining funds at high level financial organizations and minimizing the length of time the account balances exceed the insured limit. Management believes these measures minimize the credit risk in its cash accounts.

Contributions

Contribution revenue is recognized when the Organization is notified of the existence of a pledge or receives a contribution. Contributions received are recorded as unrestricted, temporarily restricted, or permanently restricted support depending on the existence and/or nature of any donor restrictions. Donor-restricted contributions are reported as increases in temporarily or permanently restricted net assets depending on the nature of the restrictions. When a temporary restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the Statement of Activities as released from restrictions.

Accounts Receivable

Unconditional promises to give that are expected to be collected within one year are recorded as pledges or accounts receivable at net realizable value. Unconditional promises to give that are expected to be collected in periods greater than one year are recorded at the net present value of expected cash flows. The Organization provides an allowance for estimated uncollectible amounts.

Accounts receivable are stated at unpaid balances, less an allowance for doubtful accounts. The Organization provides for losses on accounts receivable using the allowance method. The allowance is based on experience, knowledge of the donors and the industry and other circumstances which may affect the ability of donors to meet their obligations. It is the Organization's policy to charge off uncollectible amounts when management determines the receivable will not be collected. The Organization determined an allowance was not required at December 31, 2015.

Investments

The Organization holds certain operational funds in investments recorded at estimated fair values. Investments in pooled community foundation funds are recorded at estimated fair value in the statement of financial position. See Note 2 regarding fair value measurements of investments. Unrealized gains and losses, if any, are included in the change in net assets.

Goodwill – Rainbows Festival

The acquisition of the Rainbows Festival in 2011 resulted in recognizing goodwill of \$100,000. Under generally accepted accounting principles, the carrying amount of goodwill is not amortized but is reduced if management determines that its implied fair value has been impaired.

(Note 1 continued on next page)

NOTES TO FINANCIAL STATEMENTS
YEAR ENDED DECEMBER 31, 2015

Donated Assets and Services

Donated assets, services and other non-cash donations are recorded as contributions at their estimated values at the date of donation. Donated services and time are recognized as contributions if the services create or enhance non-financial assets or require specialized skills, are performed by people with those skills, and would otherwise be purchased by the Organization. The Organization pays for most services requiring specific expertise. However, if such services are donated and the value is ascertainable, the fair market value is reflected in the financial statements as revenue and expense. For the year ended December 31, 2015, the Organization received festival and other program donated supplies of approximately \$60,700, donated advertising of approximately \$96,500, donated facilities of approximately \$18,000, and donated professional services of approximately \$111,200. For the year ended December 31, 2015, the Organization received donated operating property and equipment of approximately \$81,000 and supplies of approximately \$1,500.

In addition, the Organization received numerous hours of donated services by volunteers dedicated to the Organization's programs. The fair value of these donated services is not recognized in the statement of activities since they do not meet the criteria for recognition under generally accepted accounting principles.

Property and Equipment

All acquisitions of property and equipment in excess of \$1,000 and a useful life of more than one year are capitalized. Property and equipment are carried at cost or, if donated, at the approximate fair value at the date of donation. Depreciation and amortization is provided on the straight-line method over the estimated useful lives of the respective assets.

The Organization reviews its valuation of property and equipment whenever events indicate that the carrying amount of the asset may not be recoverable. An impairment loss is recorded when the sum of the future cash flows is less than the carrying amount of the asset. An impairment loss is measured as the amount by which the carrying amount of the asset exceeds its fair value. No impairment losses were recorded in 2015.

Deferred Revenue

Deferred revenue consists of sponsorships festivals that will be used in the subsequent year. These deferred funds will be returned to the donor if not used for the specified purpose. However, the Organization plans on using all deferred funding recorded at December 31, 2015 in the subsequent fiscal year.

Functional Expense Allocations

The costs of providing various programs and other activities have been summarized on a functional basis in the Statements of Activities and Functional Expenses. Directly identifiable expenses are charged to programs and supporting services. Certain costs have been allocated among the programs and support services benefited based on management's estimate of employee hours devoted to each function

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Income Taxes

Phoenix Pride, Inc. is a not-for-profit organization exempt from federal and state income taxes under the provisions of the Internal Revenue Code Section 501(c)(3). Income determined to be unrelated business taxable income may be taxable to the Organization. The Organization did not report any unrelated business taxable income for 2015. In addition, the Organization qualifies for the charitable contribution deduction under Section 170(b)(1)(A)(11) and is classified as an organization other than a private foundation under Section 509(a)(2).

Subsequent Events

Subsequent events have been evaluated by the Organization for potential recognition or disclosure through May 15, 2017, which was the date the Organization's financial statements were available to be issued.

NOTE 2 – ARIZONA COMMUNITY FOUNDATION PRIDE SCHOLARSHIP FUND

The Organization established the Pride Scholarship Fund with an endowment contribution to the Arizona Community Foundation, a community foundation that promotes and facilitates philanthropy. The Organization does not record this endowment on its financial statements as it gave control of the endowment funds to the Arizona Community Foundation to manage and facilitate scholarships from the earnings on the endowment. At its discretion, the Organization may make discretionary contributions to the fund. The Fund has an accumulated balance of approximately \$56,800 at December 31, 2015.

The Organization made a contribution to the Pride Scholarship Fund of approximately \$17,425 for the year ended December 31, 2015. At year end December 31, 2015, approximately \$11,119 of this contribution is accrued as payable.

The Organization recorded deferred rent of approximately \$4,813 at December 31, 2015 for the office facilities lease in accordance with its contractual obligations. The reduction in expenses of \$3,626 for deferred rent is included in rent expense for the year ended December 31, 2015.

Subsequent to year end on September 15, 2016, the Organization negotiated a cancelation of the remaining lease obligations as of December 31, 2016 for consideration of the security deposit on the lease being retained by the landlord. The Organization is not obligated for additional lease payments after December 31, 2016.

Future minimum annual payments required on the above operating leases are as follows at December 31, 2015: 2016 - \$90,418.

NOTE 6 – DEFINED CONTRIBUTION RETIREMENT PLAN

The Organization sponsors a defined contribution SIMPLE-IRA plan covering qualified employees, as defined.
