PHOENIX PRIDE COMMUNITY Grants Program
Application FAQ

Question	Answer
What is the deadline for submission?	April 30, 2019 at 12:00pm PST
Is there a fee for applying?	NO. Application submissions are free.
Can we apply for more than one category?	YES! That is entirely fine; you may apply for up to two of the four focus areas listed on the grant application under "2.0 GUIDELINES."
Is there a maximum grant amount?	YES. The maximum grant per application for 2019 is $10,000.
What if we wanted to request more than the maximum grant amount?	If your organization requests more than the maximum grant amount, an in-person presentation will be required. The presentation to the Board of Directors will be scheduled for the May 2019 general board meeting. If you plan to apply for more than the maximum grant amount, contact us at info@pridegrant.org and discuss prior to submitting.
What if we are having a challenging time aligning with the focus areas?	We are not expecting a "perfect fit" by any means. Your welcome to align the application with the best focus area for the proposal.
Do we have to fit into every category?	NO. Choose the category that most aptly fits your organization's mission.
Do we have to provide everything in "SECTION 5: REQUIRED DOCUMENTS" to be considered?	YES. The documents and information must be submitted. There are no exceptions. If anything is missing from the application submission, we will consider the application incomplete.
I am not a grant writer, and I do not know how to fill out the application.	That is okay. We don't expect everyone to possess the knowledge to write a grant. Do the best you can. We are looking for worthy organizations to support, not organizations with the best grant-writing ability.
Will I be notified if my grant application is not approved?	YES. You will be notified but no other details will be provided. We encourage everyone who submits a grant application to understand this is a very difficult process. With so many amazing opportunities submitted annually; our sub-committee made up of board and community members have a really hard time identifying where the resources we do have will go.
If approved, when does the Phoenix Pride Grant logo have to appear on my organizations website?	Before the grant is awarded, Phoenix Pride must verify the logo is already present on your website.

The Phoenix Pride Grant program is here to support our LGBTQ community. Most importantly for the application is telling us how you will make an impact. We want to award funds to as many organizations as possible while ensuring accountability back to our community.

To submit questions or obtain the link to our grant application, please email us at:

info@pridegrant.org

Phoenix Pride unites, educates, and engages people to support and empower the LGBTQ community and our allies.
